

CITY ORDINANCE NO. CO-052-2021

**AN ORDINANCE OF THE LAFAYETTE CITY COUNCIL AMENDING THE FY 20/21 OPERATIONS AND MAINTENANCE BUDGET AND CAPITAL IMPROVEMENTS BUDGET OF THE LAFAYETTE CITY-PARISH CONSOLIDATED GOVERNMENT TO MAKE APPROPRIATIONS ADJUSTMENTS WITHIN THE UTILITIES DEPARTMENT**

**BE IT ORDAINED** by the Lafayette City Council, that:

**SECTION 1:** The FY 20/21 operations and maintenance budget and capital improvements budget of the Utilities Department of the Lafayette City-Parish Consolidated Government are hereby amended by adjusting the appropriations of the Utilities Department.

**SECTION 2:** This transfer of funds shall be as reflected in any pertinent documents which are attached hereto and made part hereof and filed in the Office of the Lafayette Clerk of the Council.

**SECTION 3:** All ordinances or resolutions, or parts thereof, in conflict herewith are hereby repealed.

**SECTION 4:** This ordinance shall become effective upon signature of the Lafayette Mayor-President, the elapse of ten (10) days after receipt by the Lafayette Mayor-President without signature or veto, or upon an override of a veto, whichever occurs first.

SUBJ: Amended LUS FY 2021 Budget

Please find attached ordinance and supporting documents pertaining to amending the FY 2020-2021 budget of the Lafayette Utilities System (LUS). The amendment is a mid-year adjustment of Operations & Maintenance and Capital appropriations to reflect new projections of expenditures through the remainder of the fiscal year. Highlights of the amendment are as follows:

- Capital Improvement Projects:
  - The significant impacts on LUS from COVID and two major hurricanes last year have not only caused delays in projects and scarcity of materials but have increased engineering design, labor and material costs substantially.
  - PDM/Northeast Substation Transmission, Peck/Northeast Substation Transmission Line and PDM Autotransformer projects will accommodate the continued load growth in the area and provide availability for back feeding when required.
  - Electric Line Extension – Feeder 3553 and Electric System Expansions improve reliability, expand services and feed additional load.
  - CTG Instrument Air Compressor Replacement will replace and enhance existing air compressors at the electric generation plants.
  - Rehab Copper Overhead Line improves electric system reliability.
  - Water Module Rehab/Replacement will increase connectivity to the headend system.
  - SWWTP Sludge Handling and Treatment project costs for field oversight inspection of construction of the South Sewer Treatment Plant expansion.
  - Walker Road Drainage Improvements project will mitigate the existing flooding issues for LUS's facilities and the surrounding area.

LAFAYETTE CONSOLIDATED GOVERNMENT  
CFO-OFFICE OF FINANCE & MGMT

- Operations and Maintenance:
  - General expenses such as contractual services, rent, temporary employees and janitorial need additional funding attributable to the outage map system, extended warranty on meters, additional labor to handle regulatory compliance and increased sanitation for this fiscal year.

These appropriations increases are funded through the use of retained earnings, which will be decreased by approximately \$12,090,212 as a result of this amendment.

Please place this item on the agenda for introduction at the City Council meeting on April 20, 2021, with final adoption on May 4, 2021. Should you need additional information regarding this item, please let me know.
