Clerk of the Council
P O Box 4017-C
Lafayette, LA 70502

Dear Veronica,

Please consider me as a candidate for the open volunteer position on the Lafayette Parish Waterworks District South Board, my resume is attached.

This opportunity is very interesting to me because I would have the ability to contribute valuable knowledge and opinions for the betterment of my community, where I have been a resident for 50+ years. As a long term resident, I have experienced changes to our population, so I am passionate about serving with the best interest in mind for everyone. My financial background has provided me with skills that are essential to most businesses and I find joy in using this to help those in need. Serving at my local church, St Basil Catholic Church, as a religion teacher is very rewarding because it keeps my mind focused on the simplest thing that matters most to our future - educating children! I am passionate about giving back and supporting the community that has been the home of many generations of my family. If I were selected for this volunteer position, it would be a great honor to follow in the footsteps of my father, Leslie Bertrand, since he was instrumental in the original establishment of the Water District many years ago. Please consider me as a candidate for this volunteer position.

Sincerely,

A handwritten signature in cursive script that reads "Leslie LeBlanc". The signature is written in dark ink and is positioned above the printed name.
