SUBJECT:

Ordinance for Joint Council - June 7, 2022

**Budget Amendment** 

It is hereby requested that the attached budget amendment ordinance be placed on the next Joint Council Agenda for consideration by the Parish and City Councils.

This ordinance will reduce the prior year's fund balance by \$22,221 to increase the pay rate for one (1) Administrative Specialist and create a full-time position for one (1) Digital Communications Specialist within the Mayor-President's Office.

The Administrative Specialist has taken on additional duties, including achieving a Notary commission. An on-staff Notary has been very beneficial to the Mayor-President's office, Human Resources, and the Lafayette Animal Shelter and Care Center to reduce the need for attorneys to notarize documents.

The creation of the Digitial Communication Specialist is to move a current part-time employee to full-time to accommodate for an increased capacity need in communication and public outreach. This position will increase our ability to communicate with our citizens via traditional and digital media and allow for greater management and organization of day-to-day operations. If the ordinance is approved, we will reduce our current Temporary Employee line item accordingly.
