## WORK EXPERIENCE

### PROJECT MANAGER

Centene Corporation

Louisiana Healthcare Connections March 2023 - current

- Manages the full project life cycle including requirements gathering, creation of project plans and schedules, obtaining and managing resources, managing budget, and facilitating project execution, deployment, and closure.
- Effectively communicates project status to all stakeholders.
- Negotiates with project stakeholders to identify resources, resolve issues, and mitigate risks.
- Coordinates cross-functional meetings with various functional areas to meet overall stakeholder expectations and company's objectives.
- Creates and communicates project milestone documents, dashboards, ROI tables, and departmental success metrics.

### PROJECT MANAGER

LHC Group | September 2021 - March 2023

- Responsible for overall coordination, status reporting and stability of projects.
- Responsible for leading, planning, and implementation of projects.
- Facilitating the definition of project scope, goals and deliverables.
- Track project deliverables and report to executive team.
- Provide direction and support to project team.
- Monitor and report on progress of the project to stakeholders.
- Identify and define resource requirements to accomplish all projects.

### CORPORATE CONTRACTS COORDINATOR

Central Control, LLC | Feb 2018 - September 2021

- Delivering expert support to COO/CEO through contract analysis, redlining, and revisions.
- Helping resolve routine questions as the primary point of contact between marketers and nursing homes.
- Tracking contracts and related requests by managing the internal intake system.
- Standardizing common contracts such as Non-disclosure agreements, Service agreements, Skilled Nursing Facilities, and Hospice contracts in accordance with legal advice. Proofing documents at each stage for all parties, including executing agreements.
- Maintaining company-wide repository of contracts including dates, terms, and fees in Compliance 360 and integrated digital electronic signature databases.

## WORK EXPERIENCE

---

### CORPORATE COMPLIANCE COORDINATOR

Central Control, LLC | Feb 2017-2018

- Maintained knowledge of compliance issues and laws by participating in seminars, conducting research, and monitoring investigations in C360.
  - Developed and implemented control policies to mitigate risks while enhancing compliance with regulatory agencies for nursing homes and hospice.
  - Reviewed corporate policies on a monthly basis and initiated new processes to improve objectives.
- 

### PARALEGAL

Gabe A. Duhon, LLC | Feb 2016-2017

- Researched, analyzed data, and identified appropriate laws for cases.
- Organized memos, chronological outlines, and other relevant documents for review and case preparation. Attended trials, hearings, and other legal functions.
- Assisted in carrying out preparations for trials, hearings, and closings using legal research.
- Drafted legal documents including Correspondence, Pleadings, Subpoenas, Interrogatories, and Notice of Depositions.

## CONTACT

[Redacted contact information]

## Garland P. Pennison, PhD, PE

Served on Board of Zoning Adjustments (BOZA) for City of Lafayette since July 2018. Served as BOZA chairman since July 2022. Prior to that, served as vice chairman and acting chairman. Senior project engineer and professional associate with HDR Engineering, a national top-10 A/E firm, based in Lafayette office since 2013 (5750 Johnston Street, Suite 105, 337.347.5609). Over 43-years' professional experience in project planning, engineering, and management. Practice areas include civil, environmental, coastal, and systems engineering. Currently serving as project manager for Louisiana Watershed Initiative (LWI) Region 5 modeling, which includes Atchafalaya, Teche, Vermilion and Mermentau basins.

Previous municipal planning and zoning experience with City of Alexandria (COA). Provided assistant city engineer design services through professional services agreement for several years before becoming planning engineer in COA Planning Division in March 2005. Served as COA Planning Engineer until 2007, coordinating Zoning Commission, and Board of Adjustments and Appeals meetings. Served on subdivision technical review committee for Rapides Area Planning Commission.

Native of Patterson in St. Mary Parish. Resident of Council District 4 (former Council District 8) in Lafayette since May 2013. Past-President of the American Society of Civil Engineers Acadiana Branch. Active member of One Acadiana Transportation and Infrastructure Committee. Married to Carrie Coxe Pennison, Escrow Officer at Commerce Title & Abstract.
