Anne Famoso

Colonial Drive, Lafayette, LA 70506 |

Education

MASTER OF REGIONAL PLANNING | AUGUST 2010 | CORNELL UNIVERSITY

- M.R.P., City & Regional Planning (*concentration: economic development*)

BACHELOR OF ARTS | MAY 2007 | UNIVERSITY OF MARY WASHINGTON

- B.A., Historic Preservation (*concentrations: preservation planning & architectural conservation*)

CERTIFICATE: Certified Public Manager (CPM) | May 2012 | Drake University

Experience

BUSINESS DEVELOPMENT MANAGER / DEVELOPMENT LIAISON | LAFAYETTE ECONOMIC DEVELOPMENT AUTHORITY | NOVEMBER 2020 – PRESENT

- Serve as a liaison for economic development projects between the Lafayette Economic Development Authority (LEDA) and Lafayette Consolidated Government (LCG).
- Assist businesses with navigating development processes at LCG, and coordinate with LCG departments.
- Business development and special projects for LEDA.

DEVELOPMENT MANAGER | LAFAYETTE CONSOLIDATED GOVERNMENT | JUNE 2018 – OCT 2020

PLANNER II | LAFAYETTE CONSOLIDATED GOVERNMENT | JANUARY 2018 – JUNE 2018

- Managed the Development Division in the Development and Planning Department. Division responsibilities include subdivision plat review, zoning interpretation and variances, annexations, abandonments, land use, addressing, and development code review.
- Managed City Planning Commission, Parish Planning Commission, and Board of Zoning Adjustment cases and meetings.
- Communicated with City and Parish Councils on development-related issues, including Planning Commission appeals.

SENIOR POLICY ANALYST | ONE ACADIANA | JANUARY 2016 – DECEMBER 2016

- Responsible for transportation infrastructure policy initiatives. Tracked legislation, worked with state and local partners, developed policy materials, and coordinated with One Acadiana's Transportation Infrastructure Committee.
- Provided staff support for the I-49 South Coalition.

ASSISTANT CITY PLANNER | CITY OF DES MOINES, IOWA | AUGUST 2013 – MAY 2015

- Managed a planning initiative to encourage revitalization and private investment along a disinvested commercial corridor. Developed and executed a façade improvement program, identified priority redevelopment properties with community stakeholders, and worked with partners to develop design strategies for key intersections.
- Responsible for managing environmental reviews for all HUD-assisted projects for the City. Worked closely with developers and other city departments on solutions to mitigate potential adverse impacts.
- Meeting facilitation, plan development, spatial analysis, and implementation for neighborhood revitalization plans.

TRANSPORTATION PLANNER | IOWA DOT | JULY 2010 – AUGUST 2013

- Data collection and analysis, plan development, and public outreach for Iowa's State Long-Range Transportation Plan.
- Managed and maintained the Iowa DOT's statewide GIS (map) database of all bicycle and pedestrian facilities.
