SUBJECT: **11/10/26 City Agenda Item: Water Service Request**
1408 Youngsville Highway

Attached for consideration by the Lafayette City Council is a resolution in accordance with Ordinance No. O-030-2015 (LPUA) approving the extension of water services outside the corporate limits of the City of Lafayette. The Utilities Department dba Lafayette Utilities System ("LUS") has received a request to provide water services to property located at 1408 Youngsville Highway in the City of Broussard.

LUS water facilities currently exist on or adjacent to the lot; therefore, the property owner wishes to receive water services from LUS. City of Broussard water facilities are not in this area. All costs associated with extending the LUS water service lines to the subject property will be borne by the property owner.

The resolution has been reviewed and approved by Assistant City-Parish Attorney Michael D. Hebert.

The Utilities Department is governed by the City; therefore, please place this on the agenda for the Lafayette City Council for introduction and final adoption on November 10, 2026.
