**RE: Disposition of Ordinance No. PO-039-2020
Veto Message of Mayor-President Joshua S. Guillory**

Dear Council Members:

As discussed at length during the Council discussion on these matters, I am strongly opposed to tax increases without a vote of the people. There are serious questions regarding these measures. Therefore, I have vetoed PO-039-2020.

The specific levies within Ordinance No. PO-039-2020 that prompt me to veto this ordinance are the following:

1. The 3.12 mill Library tax (2017-2026)
2. The 1.97 mill Library tax (2013-2022)
3. The 2.36 mill Combined Health Unit tax
4. The 0.27 mill Cultural Economy tax

While property values in Lafayette Parish have dropped since the last reassessment our first step should be for government to focus upon the services that are essential to its mission and prioritize, rather than to automatically impose greater property taxes on our citizens. This veto is directed toward that basic principle. I hereby urge the Parish Council to pass revised ordinances levying these taxes at their prior millages.

Leaving the two Library millages at their current rates would result in a total reduction in revenue to the Lafayette Parish Library of approximately \$746,099. This reduction consists of a reduction in the 3.12 mill Library tax (2017-2026) of approximately \$460,826, and a reduction in the 1.97 mill Library tax (2013-2022) of approximately \$285,273. Similarly, leaving the Combined Health Unit millage at its current rate would result in a total reduction of revenue of approximately \$373,050.

After a thorough review of the last few years fiscal year-end audits, it is readily apparent that the budgeted amounts for each of the fiscal years exceeds identified needs. Quite simply, the agencies affected by these reductions in revenue can continue to provide their essential services to the citizens of Lafayette Parish even with this reduced revenue.

With regard to the levy of the 0.27 mill Cultural Economy tax, that matter is scheduled to be placed before the voters of Lafayette Parish on November 3, 2020 on the question of whether that millage is better devoted to Parish fire protection and Parish roads and bridges. It is premature to raise the Cultural Economy millage when it may be rededicated by the voters in less than two months.

For all of the foregoing reasons, I have vetoed Ordinance No. PO-039-2020.

Sincerely,

Joshua S. Guillory
Mayor-President
