## Internal Memorandum

Community Development and Planning Department  
Office of the Director (Route 9010)

**TO:** Cydra Wingerter **DATE:** September 20, 2021

**FROM:** Mary Sliman

**SUBJECT:** Wayfinding Sign Standards

---

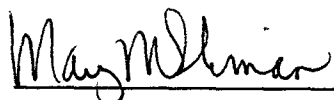

Enclosed for your review and consideration is a proposed joint resolution that intends to establish wayfinding and sign standards to be used throughout LCG departments and through administrations. The standards include a family of signs for urban centers, neighborhoods, parks and public buildings as well as directional signage for bikes and pedestrians. Exhibit A also has selected signs to replace our current signs including parking and transit stop signage.

The funding used to fund the development of these standards was from Evangeline Corridor Initiative wayfinding funding and CREATE funding. The first group of sign installation will be funded by the Downtown Development District for downtown signage.

Please find enclosed the following:
