Mary Hays

Sidney Street, Lafayette, LA 70506

I am a very experienced business leader and community volunteer. My business experience has been customer oriented with an eye to ever increasing innovative ideas and plans. I have been a member of numerous boards serving in various capacities. Each organization I belonged to was a great joy. I joined these organizations to learn, meet people, mentor, and teach. I have become a better person for it. I have traveled the world twice over and lived overseas for 8 years.

Mr. Christopher Holmes

Senior Systems Engineer/Technical Training Specialist

PROFILE

Over the past thirty years, I have held various roles. Pastor, consultant, manager, and media producer. At my core, regardless of the position I have in an organization, I want to do the best work of my life there. This gives me a strong desire to grow, serve, and help others around me succeed.

EXPERIENCE

CEO & Founder, Bayou Creative; Broussard, Louisiana — 2022–Present

Bayou Creative was formed from Rooted Consulting's Media group to provide video production, social media management, and marketing services. I directly produce content and work with my creative director to curate customer experiences.

CEO & Founder, Rooted Consulting; Broussard, Louisiana — 2014–Present

Rooted Consulting is an Apple-focused IT consultancy. We deliver “break/fix” and managed service provider solutions to customers across the south. I oversee the team's marketing, professional development, and business strategy.

Senior Engineer/Technical Trainer, HCS Technology Group; Bohemia, New York — 2014–Present

HCS Technology Group was founded in 1989. While the business started as a FileMaker developer, it pivoted to Apple Professional Services, authorship, and technical training. I deliver engineering and training on behalf of enterprise customers.

CEO, The Orchard Solutions — 2012-2014

The Orchard Solutions was a fun service Apple Consultancy that delivered professional services, technical training, and repair. It grew out of the Orchard Stores to focus solely on IT consulting. I helped to lead and manage a team of eight consultants between the Lafayette and Baton Rouge offices.

CTO, The Orchard Stores — 2008-2012

The Orchard is an Apple Authorized Service Provider and Reseller. As CTO, I led the team of consultants by delivering on-site services. I coached and mentored staff and advised on technology decisions.

*Work history from 1996-2008 can be provided by request. It is also available on my LinkedIn Profile: <https://www.linkedin.com/in/josemocha/>

EDUCATION

Louisiana State University Shreveport; Shreveport, Louisiana — Master of Business Administration (2024-Present)
